# AMERICAN OFFICERS OF HIGH RANK AND OTHERS ENDORSE PE-RU-NA.

## Prominent People Recommend the Remedy Pe-ru-na.

### Dr. Hartman's World Renowned Catarrh Medicine.

A Remedy for the Grip.  
Gen. W. H. Parsons, 925 H St., N. W., Washington, D. C., writes as follows:  
"Upon the recommendation of personal friends and many strong testimonials to the efficacy of Peruna in the treatment of the numerous symptoms of the grip with which I have been afflicted for four months past, I have been induced to undergo a treatment of this justly celebrated formula."

"I feel a decided change for the better by its use for one week only, especially in toning up the stomach, and a consequent decided effect upon my appetite. I therefore feel much encouraged that I am on the road to complete restoration."

"My numerous friends in Texas, where I have had the honor to command a brigade of her veteran cavalry in a four-year war, may accept this voluntary testimonial to the merit of Peruna from a sense of obligation for its wonderful efficacy."

Pe-ru-na a Good Tonic.

Gen. M. C. Butler, of South Carolina, writes from Washington, D. C., as follows:  
"I can recommend Peruna for dyspepsia and stomach trouble."

"I have been using your medicine for a short period and I feel very much relieved."

"It is indeed a wonderful medicine, and besides a good tonic."

Colds in the Head and Throat.

Chas. W. Bowman, 1st Lieut. and Adj. 4th M. S. M. Cav. Vol., writes from Lanham, Md., as follows:  
"Though somewhat averse to patent medicines, and still more averse to becoming a professional affidavit man, it seems only a plain duty in the present instance to add my experience to the columns already written concerning the curative powers of Peruna."

"I have been particularly benefited by its use for colds in the head and throat. I have been able to fully cure myself of a most severe attack in forty-eight hours by its use according to directions."

"I use it as a preventive whenever threatened with an attack. Members of my family also use it for like ailments."

"We are recommending it to our friends."

GEN. L. KIRBY

Recommends Pe-ru-na to the Afflicted.

Brig. Gen. D. T. Kirby, Washington, D. C., writes concerning Peruna, as follows:  
"Friends of mine having used your Peruna catarrh cure with good results, I am impressed with its curative qualities, and can recommend it to those who are afflicted."

An Invigorating Tonic.

Rear-Admiral Hichborn, U. S. Navy, Washington, D. C., writes:  
"After the use of Peruna for a short period, I can now cheerfully recommend your valuable remedy to any one who is in need of an invigorating tonic."

For Catarrh of the Stomach.

Gen. W. W. Duffield, Washington, D. C., writes:  
"I have used Peruna in my family and have found it a valuable medicine and take pleasure in recommending it to all who suffer from catarrh of the stomach or who require a tonic of prompt efficacy."

Gen. A. M. Legg

DEAFNESS CAUSED BY CATARRH—RELIEVED BY PE-RU-NA.

Gen. A. M. Legg, writes from the Savings Bank Building, Washington, D. C., as follows:  
"I take pleasure in endorsing the many recommendations I have heard and read of Peruna, because of having had knowledge of the truth of so many of them."

"We always tell our sick and ailing friends of the remedies that we have learned, from experience, were good for us when ailing in the same way, and we do it as a duty we feel that we owe them."

"Why is it any the less our duty to advise all the people we can when we know of a good and comparatively inexpensive remedy that makes many cures, and benefits in almost all cases?"

"My own little personal experience of being relieved of deafness, caused by a siege of catarrh, warrants me in advising all the afflicted to just try Peruna."

## When Other Remedies Failed Pe-ru-na Proved Efficacious.

Hon. Geo. W. Honey, National Chaplain U. S. A., Ex-Chaplain 4th Wisconsin Cavalry, Ex-Treas. State of Wisconsin and Ex-Q. Master General State of Texas, G. A. R., writes from 1700 First street, N. E., Washington, D. C., as follows:  
"I cannot too highly recommend your preparation for the relief of catarrhal troubles in their various forms."

"Some members of my own family have used it with most gratifying results."

"When other remedies failed, Peruna proved most efficacious and I cheerfully certify to its curative excellence."

Pe-ru-na, a Standard Treatment for Catarrhal Diseases.

Mr. John C. Nelson, Dayton, Tenn., geologist and mining engineer, while a Captain in the Federal Army during the Civil War, contracted a case of rheumatism. This malady was constant and persistent, inducing the development of other ailments, which also became chronic. After taking a course of Peruna, Capt. Nelson writes:  
"Having been painfully afflicted with chronic rheumatism and the attendant complications for many years, and after having received many general and special treatments with only temporary relief, I read your scientific treatise on catarrhal diseases."

"At my request you prescribed a special course of the Peruna remedies, which I closely followed, and am happy to report that my rheumatism and complicated ailments are subdued, and I feel young again at the age of 69 years."

"Reason will accept your classification of catarrhal diseases as scientific and true, and the Peruna remedies as a standard treatment for them. I thank you heartily for your skilled and logical advice."

Enjoys Renewed Health and Strength.

James J. Osborn, 623 Wahatch Ave., Colorado Springs, Colo., has filled all the positions in Knight Templar Masonic Order, was a Mason since 1886, Judge of County Court, Clinton, Mo., and also County Collector of Clinton. He writes:  
"A sluggish liver which I had been troubled with for two years made life miserable and I was unable to attend to my business half the time. I lacked energy, had headache most of the time, and my food distressed me and did not seem to do me a particle of good."

"Loading of the many cures performed by Peruna, I decided to try a bottle. Before I had taken many doses I felt better."

"I took it as directed for two months when I was a well man."
